

Sponsorship Opportunities

WHAT: A **GREAT** opportunity for you to get your business in front of **2,400 parents, faculty, staff and students.**

WHY: Your **tax deductible** sponsorship dollars help pay for important curriculum programs and technology needs that Cobb County funds do not cover. Every child in the school benefits from Foundation-funded programs.

Friends of the Foundation

Every business that contributes \$100 or more is considered a Friend of the Foundation, and has the opportunity to feature their logo on our website, social media posts, and on our annual Great Skate banner.

We also invite FoF partners to join us at the Great Skate event so that our community can learn more about your business (Save the Date: Sunday, September 18th, 11am – 2pm).

For our business partners that donate \$500 or more in support, we offer several additional recognition opportunities, including:

- The opportunity to personally represent your business at all Foundation events, including a special recognition event for our upper level annual giving campaign (“Back the Jack”) donors.
- Your business brochure or flyer distributed to the entire Nickajack community.
- Full description of your business on the Nickajack Elementary Foundation website.

If you are a PTA Pal already – thank you! We appreciate your support of our school!

The Nickajack Elementary Foundation (NEF) is a nonprofit organization operated by a board of community members who are committed to providing our students with the best education possible. Your investment in the success of these students is an investment in your community's future.
